

PEAVINE MÉTIS SETTLEMENT

Job Title: Tree Planting Foreman

Location: Peavine Métis Settlement

Job Description:

Peavine Métis Settlement is seeking a qualified and motivated Foreman to oversee daily field operations for the Tree Planting Project. The successful candidate will be responsible for supervising planting crews, coordinating daily activities, and ensuring work is completed safely, efficiently, and to a high standard.

Key Responsibilities:

- Supervise and lead tree planting crews.
- Assign daily work activities and planting locations.
- Conduct daily safety meetings and ensure safe work practices are followed.
- Monitor crew attendance, productivity, and performance.
- Ensure planting standards and project requirements are met.
- Coordinate equipment, tools, and supplies.
- Provide guidance, training, and support to crew members.
- Monitor project progress and report to the Project/ Advisor Supervisor.
- Maintain daily records and documentation.
- Assist with project completion activities as required.

Qualifications:

- Previous supervisory or foreman experience preferred.
- Experience working outdoors in forestry, environmental projects, construction, agriculture, landscaping, or a related field.
- Strong leadership and communication skills.
- Knowledge of safety practices and procedures.
- Ability to work outdoors in various weather conditions.
- Valid Class 5 Driver's Licence is considered an asset.
- Ability to work independently and as part of a team.

How to Apply:

Please submit your resume by July 3,2026 to:
